## EDUCATION

---

### SR University

B.Tech Computer Science | **CGPA:8.0** |

Warangal, Telangana

October 2022 – May 2026

## EXPERIENCE

---

### Bharat Intern

Web Developer

September 2023 – October 2023

- Implemented and deployed multiple web projects, optimizing system efficiency and user interaction, and increased productivity by 90% through refined code structures and enhanced workflow management.

### AWS Cloud Virtual Internship

AWS Cloud Engineer

May 2023 – July 2023

- Gained hands-on experience with core AWS services such as EC2, S3, Lambda, and RDS.
- Deployed five cloud-based applications, optimizing cloud resources to reduce query response times by 30%.

## SKILLS

---

**PROGRAMMING LANGUAGES** | C, Python, Java, SQL, HTML/CSS

**SOFT SKILLS** | Commitment, Adaptability, Teamwork

## PROJECTS

---

### Chronic Kidney Disease Detection | AI, Machine Learning, Python

- Designed a CKD detection model using Random Forest Classifier and Python libraries and achieved the identification of detecting chronic kidney disease based on the blood samples taken.

### Bank Loan System | HTML, CSS, JavaScript

- Designed a frontend user responsive interface that works on the process of loans in a bank.

### Netflix | HTML, CSS, Javascript

- Designed a clone of the OTT platform "Netflix" using clean code and the accessible design using HTML,CSS and javascript.

## ACHEIVEMENTS

---

- Developed an automated tourism website during the SIH Internal Hackathon, handling 150+ customer queries efficiently.
- Organized a farewell event for 2000 attendees, overseeing logistics, budgeting, and execution for a seamless experience.
- Guided a five-member team in the Inter-College Hackathon at SR University, securing 3rd place for designing a blockchain-powered supply chain security solution.
- Earned the Semester Topper Award across four semesters, ranking among the highest scorers for academic excellence.

## CERTIFICATIONS

---

**NPTEL** | Theory Of Computation

**CISCO** | Network and wiring essentials

**GOOGLE** | Foundations of Project Management

**AWS** | Cloud computing and data engineering

**IBM** | Introduction to Software Engineering
